

2018 PARADE OF PENNIES FUNDRAISER

It's that time again, and Junior Auxiliary is preparing for their Parade of Pennies Event, but this year we want to do something BIG! Our goal this year is to provide the 50 children we sponsor with Razor scooters from Santa, and we can't do that without the help of our community.

What is Parade of Pennies? The Parade of Pennies Party is a great tradition in our community. We take money raised through events throughout the year and we give Christmas to local Hopkinsville children that may not otherwise have it. Junior Auxiliary teams up with other outreach organizations to get the names of local children who have applied for the Angel Tree or other gift giving programs and provide them with a safe environment where food, activities, and gifts are provided. Santa and his elves even stop by to hand out the presents! Depending on the amount we are able to raise each year, we give each child basic needs items and toys, or with donations this year, RAZOR SCOOTERS!

How can you help? We will be accepting sponsorships from local businesses in order to purchase the scooters for the sponsored children. Each scooter will cost an average of \$40 based on the age and size of each child. You can donate any amount you choose, but any donation of \$250 or more will be recognized with your logo on our Parade of Pennies shirts for the event!

Should you have any questions, please feel free to contact Abby Lara at 270-498-1106 or abbyjolara@gmail.com

Thank you so much for your support and consideration of our organization and this special event. Because of individuals and businesses like you, 50 children will have an unforgettable Christmas this year.
